TYRE SHOP CONSUMABLES

Steel Wheel Weights

Universal steel wheel clip on weight

TRW205S	5g	Qty-100	£10.00
TRW210S	10g	Qty- 100	£20.00
TRW215S	15g	Qty- 100	£25.00
TRW220S	20g	Qty- 100	£28.00
TRW225S	25g	Qty- 100	£30.00
TRW230S	30g	Qty-50	£21.00
TRW235S	35g	Qty- 50	£25.00
TRW240S	40g	Qty- 50	£28.00

Alloy Wheel Weights

Universal alloy wheel clip on weight

TRW310S	10g	Qty- 100	£20.00
TRW315S	15g	Qty- 100	£25.00
TRW320S	20g	Qty- 100	£28.00
TRW325S	25g	Qty- 100	£30.00
TRW330S	30g	Qty- 50	£21.00
TRW335S	35g	Qty- 50	£25.00
TRW340S	40g	Qty- 50	£28.00

Stick on Weights

Premium uncoated adhesive wheel weights (silver)

Easy to cut strips

Oversized protective strip on adhesive backing to enable easy peel

TRW600S	5g&10g	Qty- 100	£18.00
---------	--------	----------	--------

Tyre Repair Patches

For durable repairs of all radial tyres
 Combi plug patches complete with pilot stem

TR108	80mmX125mm Radial Repair Patch	Qty- 10	£25.00

414- 11.5 mm rim hole, 40mm valve length

418- 11.5 mm rim hole, 53mm valve length

TRV414	414 Type Tubeless Valves	Qty- 100	£18.00
TRV418	418 Type Tubeless Valves	Qty- 100	£23.00

MACHINERY

Tyre Changing Machines

TCN1- Semi Automatic Tyre Changing Machine. DIMENSIONS - 960*760*930MM

TCW2- Fully Automatic Tyre Changing Machine w/assist arm. 26" Turn Table.

TCN1	Semi Auto Tyre Changing Machine	Qty- 1	£1244.00 +VAT
TCW2	Fully Auto Tyre Changing Machine w/ assist arm	Qty- 1	£1920.00 +VAT

Wheel Balancers

WBH1-

- LED DISPLAY
- ENERGY & SPACE SAVING HAND OPERATED MOTOR FREE SHAFT
- MULTI-FUNCTIONAL BALANCE MODES
- COST SAVING SELF-CALIBRATION FUNCTION.
- COST SAVING SELF-DIAGNOSTIC MODE.
- MAXIMUM WHEEL WEIGHT - 65KG
- POWER SUPPLY - 240V/12V
- BALANCER CYCLE TIME - 8 SECONDS
- WHEEL DIMENSION - 10 - 24"
- RIM WIDTH - 1.5 - 20"
- WHEEL BALANCER OPERATIONAL NOISE - <70DB
- DIMENSIONS - 786*455*903MM

WBS2-

The Super Spin wheel balancer is a motorised balancer with semi-automatic data input, so you don't have to spend time manual entering all the data you only have to input the width of the wheel with the Super Spin tyre balancing machine.

- DURABLE TOUCH PAD AND DIGITAL LED SCREEN
- HANDY TOP TRAY WITH 16 COMPARTMENTS
- EXTENDED 40MM SHAFT FOR ADDED STABILITY AND ACCURACY
- SEMI-AUTOMATIC WHEEL MEASURING ARM
- 5 X ALLOY WHEEL BALANCING PROGRAMMES
- COST SAVING SELF-CALIBRATION FUNCTIONS.
- COST SAVING SELF-DIAGNOSTIC FUNCTIONS
- MAXIMUM WHEEL WEIGHT - 65KG
- WHEEL SIZE CAPABILITY - 10-24"
- BALANCING CYCLE TIME - 8 SECONDS
- WHEEL BALANCER NOISE - <70 DB
- WHOLE MACHINE WEIGHT - 98KG
- DIMENSIONS - 690*760*1160MM

WBH1	Hand Spun Wheel Balancer	Qty- 1	£885.00 +VAT
WBS2	Semi-automatic Wheel Balancer W/assist arm	Qty- 1	£1295.00 +VAT

Tyre Pressure Testing Machine

Adjustable inflation pressure up to 43 PSI.

3 pairs of pressure plates: Pair 1: 13-17

inches, Pair 2: 17-20 inches, Pair 3: 20-22 inches.

7 pressure locks: No. 1: 25 mm; No. 2: 50 mm, No. 3: 75 mm,

No. 4: 100 mm; No. 5: 125 mm No. 6: 150 mm No. 7: 175

mm.

Foot switch.

PTM1	Tyre Pressure Testing Machine	Qty- 1	£5500.00 +VAT
------	-------------------------------	--------	---------------

Unpacking Machine

Used for unpacking double and triple packed tyres with ease.

We recommend this brilliant machine to all our export customers.

Low structure does not require high workplace and is easy to handle. The machine is supplied with an appropriate bar. As it is a pneumatic machine it requires connection to the compressor which is not a part of the set.

Unpacks approx. 100 tyres per hour.

Suitable for all types of car, commercial and 4X4 tyres.

UPM1	Tyre Bundle Unpacking Machine	Qty- 1	£5000.00 +VAT

Jack

3 tonne jack

One of its standout features is the inclusion of a foot pedal, which enhances the ease of lifting. With a simple pump of the foot pedal, you can effortlessly raise the jack by an impressive 330mm (13 inches). If you require additional height, pumping the handle will grant you the desired elevation.

- Min Height: 145mm (5.5") Max Height: 500mm (19.5")
- Lifting Range: 355mm (13 inches)
- Weight: 37.2kg
- Additional Height: Achievable by pumping the handle
- 2 swivel castors at the rear

TJ03	3 Tonne Trolley Jack	Qty- 1	£190.00 +VAT
------	----------------------	--------	--------------

Pallet

Solid bottom pallet for storing tyres.

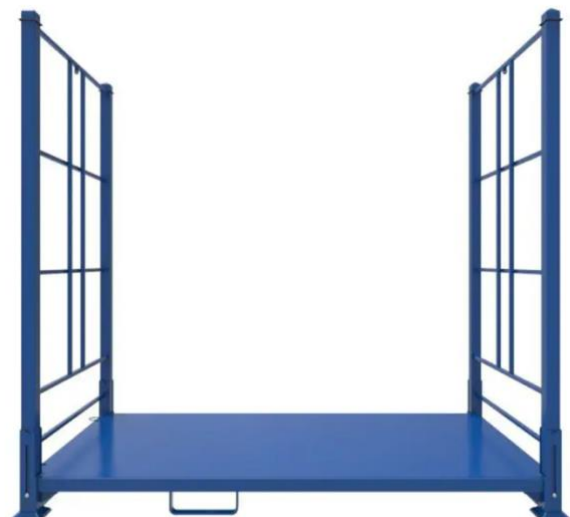

7-8 weeks delivery.

This is a foldable steel rack with a load capacity of **1000kg**. It can be stacked with a forklift into a **4**-levels stack with a height of nearly **9m**.

Length 2383 mm

Width 1250 mm

Height 2200 mm

AR01	Tyre Storage Pallet	Qty- 1	£350.00
